

NOTICE TO ATTORNEYS

April 10, 1995

Please be advised that effective immediately, a Fee Award Order must accompany all fee applications filed with the Court. An original Order and two copies are required. The Fee Award Order should **not** recite a fee amount or date. After the Court has an opportunity to review the fee application, the Court will insert the approved fee amount and the date.

Your failure to perform pursuant to the provisions of this memo will constitute a deficiency and have an adverse effect on the timely disposition of your application, and may result in your fees being waived.

Should you have any questions, please feel free to contact me.
